Invoice No. 17/091 Date: 12.06.2017

Concept	Total without VAT
Initial jobs Wiring work, electrical installations and lighting installations	228,866.92
Improvements to the satellite communication system and new antennas	99,145.73
On-board network system improvement work and visual audio systems	84,688.78
improvements in navigation and communication system	45,916.16
New crew cabins, carpentry, upholstery, plumbing, lighting, mattresses, wall bulkheads and	147,552.00
ceilings	
Comprehensive interior area reform, new ceiling panels with track systems, lounge seating area, bulkheads and paint, guest mattresses, interior paint and blinds and curtains. Manufacture of	442,480.04
new outdoor seating areas in puente, new bar module on bridge and main deck, new seats	
and custom upholstered cushions	
Improvements to on-board safety systems	28,603.75
6 months mooring and boat costs	39,719.66
New major sail	68,449.50
New seal candle	36,617.70
New genniker-type Candle	36,061.20
Discount	-16,935.41
Take out and put mast and jarcias	21,433.20
New quests and reforms	33,086.58
Hydraulic work for mast and jarcias	1,816.29
Improvements in kitchen furniture	12,720.00
Steel works in stainless steel and chandeliers and covered according to class/flag needs	23,320.00
Improvements to the Insulation and Ventilation System	63,600.00
Install new Jacuzzi on bridge	8,395.20
Retouching expenses in original paint	63,600.00
Extras	
Rigging	6,071.15
new electric barbecue for new bridge module	2,667.65
new crystals and windshields due to de-lamination in old	155,180.82
sealed hatches	556.50
paint consumables thormal and accustic insulation in the living room	476.27 34,714.77
thermal and acoustic insulation in the living room pieces of methacrylate hatches on the roof of the bridge	2,854.72
fiber arrangements	2,834.72 1,802.00
thermal insulation and acoustic main roof ceiling	11,002.00
new pieces of the jarcias	1,439.48
new pieces of the jarcius	1,437.40

new teak in bow and side aisles	63,663.60
fridge of wine	2,966.94
carp and scaffolding montage	18,020.00
August extra expenses in STP (varadero)	10,570.24
various plumbing jobs	666.77
rolling and hydraulicreefin system arrangements	3,370.88
Structural engineer expenses - mast	2,979.98
new fridges in bridge kitchen and bar	9,900.23
structural calculations for new navigationdomes	2,226.00
fiber/composite arrangement WOrk and reinforcements	20,314.69
NDT mast inspection expenses	559.68
new lights in crosses	1,974.40
additional work in jarcias	6,065.95
crane service	457.92
hydraulic system arrangements	2,574.07
emptying tanks, cleaning and fuel treatment	2,650.00
Sea mooring expenses Port de Mallorca	12,663.95
diver service for hull-pass ingenor fixes	763.20
cleaning up grey tanks	934.06
fixtures and hardware new marine cabins	3,018.49
manufacture of mast plate in stainless steel	419.76
expenses mooring Pantalán med	5,266.59
new tecma toilet	1,036.15
crew zone sinks	925.80
fuel filters	895.76
blacksmith's work	4,099.41
bathroom platform parts	466.40
navigation equipment	6,934.03
insulation cabin armador	546.74
initial paint retouching mast	5,389.79
carp on the bridge	2,077.79
tent the whole boat, second payment	8,692.00
new water pumps	4,863.28
shower and bath parts, taps etc., guest bathrooms tank cleaning	5,108.60
	1,700.73 2,451.13
New washer and dryer mast repairs	2,431.13 954.00
fiber reinforcement work in squares on the mast	2,597.00
repairs to the flashingconduct	318.69
supply of stone material and placement in bathrooms	51,025.54
stainless steel repairs	652.96
nano-layer treatment of several areas of the dead work	720.80
making life raft supports	7,245.52
arrangements to the major halyard	1,696.00
engineering fees and repairs on the mast	3,784.20
stone material for bars and crew bath	7,117.30
repairs to 8 hatches	3,052.80
scaffolding jobs	4,589.80
supply of new hydraulic motor for zero code sails	957.18
New auxiliary vessel, brand Ribeye SYT500	71,767.13
smoothing work, repair and masking of hull, superstructure and boom and mast paints	247,457.00
initial arrangements to hull-painting areas and stern damage	22,005.60
manufacture of supports of the new navigationdomes	19,244.65
hydraulic system work	10,025.66
new headway lights	1,065.70
Complimentary lampara and reading in guest cabins	2,418.39
work in navigation system	904.18

supply of navigation lights and unhumidifying machine new furniture holsters fixes and new parts in desalinating plant 1 top in 1 kitchen 1 top in	1	(00.40
