

**PRIVILEGE 615 “UKIYO”**

“UKIYO” an outstanding example of the Privilege 615 is for sale. She is #14 of the sought after Privilege 615 series by Alliaura Marine. The Privilege 615 is a blue water capable catamaran, providing every comfort necessary on board while retaining good sailing performance. Upon purchase in 2020, UKIYO’s owner undertook an extensive refit and modernisation of many systems such as the replacement of the engines with newer and more efficient models as well as replacing the AGM batteries for lithium-ion. Other major items include painting of the hull and mast, new sails, new standing rigging, new teak as required and the addition of a second generator. A more detailed list can be found in the following pages. Since her refit, she has been used exclusively in the Mediterranean, only by the owner’s family and close friends with fulltime crew on board at all times. The owner’s programme is now concluded and UKIYO is available for purchase.

UKIYO is available immediately, lying in Canet-en-Roussillon. Viewings are unreservedly recommended.

## NOTABLE FEATURES

- Signature Privilege 615 spacious owner's stateroom with large central double
- Three double guest cabins plus crew, all with en suite access
- Large saloon with 360-degree views, dining area, chart table, sofa and bar

Louez-moi

# SYSTEMS

## PROPULSION

- Twin YANMAR LV 150 HP engines (2020) – control at each helm
- Common rail fuel injection
- Gearboxes KMH50A-3, ratio 2:43 (new in 2020)
- Two 24V 100A alternators – one per engine
- Sound insulation
- Shaft seals reconditioned in 2020
- Stainless steel shaft – pulled and checked in 2022
- Cutlass bearings new in 2022
- Rope cutters on shafts
- Folding four-blade Maxprop propellers
- Fuel:
  - One 1000 litre aluminium tank in each hull
  - Inspection hatches added in 2020 to enable cleaning of tanks
  - Transfer pump to transfer fuel between tanks
  - Total fuel capacity: 2000 litres

## ELECTRICAL

- 12 / 24 / 220V electrical system
- Generators:
  - 17.5 kW Onan
  - 12 kW Kohler (new in 2020)
- Inverters: two 4000W Mastervolt new in 2023
- Alternators: two 100A Mastervolt – one per engine
- Charging:
  - 24V 100A charger
  - 24V 100A charger
  - 12V chargers for engine start batteries
  - 12V chargers for generator start batteries
- Batteries:
  - Lithium Mastervolt domestic battery bank (2021) – 5500Wh
  - Two gel engine start batteries (2020)
  - Two gel generator start batteries (2022)
  - Emergency 220Ah gel Victron battery for navigation and safety equipment (2020)
- 220V shore power socket with cable

## WATER

- Fresh Water:
  - Watermaker: Dessalator Compact 90-280
  - High pressure water circuit with two pressure pumps
  - Two 80 litre hot water boilers – new anodes and heating elements in 2021
  - Two stainless steel 650 litre water tanks
  - Total fresh water capacity: 1300 litres
  - Fresh water transfer pump
  - Cockpit showers at each sugar scoop
- Black & Grey Water:
  - One 150 litre black water tank per tank with pump out
  - Black water evacuation pumps renewed in 2022
  - Black water monitoring
  - Grey water directly overboard
- Bilge Pumps:
  - Two electric bilge pumps in each hull
  - Exhaust tubes renewed in 2020

## RIGGING & DECK GEAR

- Standing rigging new in 2020
- Running rigging renewed as necessary
- Fractional sloop rig
- Aluminium mast painted white in 2020
- Three spreaders
- Steps on mast up to first spreaders
- Carbon canoe boom painted white
- Electric furler for genoa
- Electric furler for staysail
- Deck fittings for gennaker with bow sprit
- Gennaker furling line led back to port side helm on flybridge
- Two Antal W66 electric primary winches with controls at each helm
- Antal W52 electric winch at port helm
- Antal W44 winch at port helm
- Antal XT52 winch on mast port side
- Antal XT52 electric winch on mast starboard side – new in 2022

## INTERIOR, ACCOMMODATION & LAYOUT

- Interior finished in cherry wood with a gloss finish
- Oak with white stripe floorboards
- Ceiling panels in Alcantara
- Saloon upholstery renewed in 2020
- Reverse cycle air conditioning throughout
