

The core of our know-how

Lagoon has developed a new version of the Lagoon 620 in response to our customers' desire for even more luxury. Our know-how and Nauta's expertise have come together to produce eS^{ense}. With leather accents on the doors, handles, furniture and saloon chairs, carefully selected fabric covering the bed bases and headboards and sophisticated, soft and elegant materials... This new version reveals the true soul of the Lagoon 620.
