### General comment :

*Built in 24 units only, the PRIVILEGE 585 is positionned on the market as a "Best Seller" in term of quality of construction, finishing and use. This unit, in 5 double cabins in Beech wood, has been subject to numerous updates, and is offered on the market at a very justified price, considering the several important refits done since 2015. Another set of works done in 2017 and 2018 for a total upgrade, she is absolutely superbe ; this is the DEAL !*
