<b>Version</b>	Owner's 4 cabins + crew
<b>Use</b>	charter
<b>General condit</b>	superb
<b>Location</b>	St Marteen
<b>Flag</b>	French, commercial RIF
<b>VAT</b>	not paid

### General comment :

If the LAGOON brand has become a major player in the world of cruising catamarans, it has established itself as a real answer to the expectations of demanding customers : space, volume, stability, comfort, equipment, modularity are the Key Points of this LAGOON 78.

Built in 2021 for an owner who has experiences on large units, she perfectly meets a top class charter program or owner use. The salon is bright and spacious, with a lounge area on the starboard side and an elegant dining area on port ; in the front , the bar area invites to cocktails and will allow guests to access easily on the front deck, thanks to the central door. Both the owner's cabin with its side door opening onto the sea and its custom-made details as well as the VIP cabins, everything is cared for and the crew is not left out with their very well-designed quarters. The layout and decoration are tasteful, the comfort and the genel equipment are optimal.

Equipped with two 580 hp John Deere engines, the LAGOON SEVENTY 8 offers a comfortable cruising speed of 15 knots with a good range ; stability at anchor is very appreciable and the living and playing spaces are major assets. The large hydraulic platform of 30m2, the friendly cockpit with its large seats, the huge flying bridge with the lounge and the GRP hardtop, but also this beautiful front platform dedicated to evening cocktails... As new, she is fully proven and she meets success with her charter activity in the Caribbean.

### MAIN CHARACTERISTICS

Length overall	23,80m
WL length	23,60m
Beam	11,00m
Draft	1,25m
Light displ	62 T
Architect	VPLP & Patrick Le Quemen
Interior designer	NAUTA DESIGN
Category	A : 14 - B : 18 - C : 24 - D :

2 x 580HP John Deere engines with bow thruster  
Propellers Bruntons 5 fixe blades, shafts

### MAIN TECHNICAL POINTS

Fuel capacity	8500 L
Frech water capacity	2 X 800L
Grey water capacity	2 X 300L
Black water capacity	73 L / WC
Reversible A/C, 280L/H watermaker	
2 generators, wine cooler, towels dryers	
Plateform, boarding plank, teak	
Electronics, satellite, wifi, entertainment ...	

### BUILDING PROCESS

Infused composite with balsa foam  
Anti osmosis HQ resin  
Hulls bottom and keels with hard resin

### LAYOUT AND FINISHINGS

#### Galley and fwd crew

Owner's 4 cabins - 4 toilets  
Sliding door bathroom in aft starboard cabin  
Sliding door toilet in aft stbd cabin  
Sliding door for owner's bathroom  
LATERAL OPENING DOOR HYDRAULIC IN MASTER CABIN ( teak deck and swim ladder)  
SEPARATE TOILET IN MASTER CABIN

**Layout in forward peak**

PORT (1 berth) with access door  
 STBD (1 berth, washhand, shower, toilet)  
 ADDITIONAL PORT BERTH  
 ADDITIONAL STARBOARD BERTH

**Carpentry**

GREY OWK with wenge floor, marble

**CEILING AND CARPETS**

CUSHIONS IN & OUT "PURE"  
 INTERIOR CUSHIONS (standard Argile)  
 EXTERIOR CUSHIONS  
 CARPET IN THE MAIN SALON (1 piece)  
 CARPET IN THE CABINS (except crew and gangways)  
 STORAGE FURNITURE IN REPLACEMENT OF THE STBD FORWARD BENCH

**DECK EQUIPMENT**

AFT HYDRAULIC PLATFORM WITH FOLDABLE STBD PART + REMOTE CONTROL  
 HYDRAULIC BOARDING PLANK TELESCOPIC ON PORT TRANSOM (3,50m)  
 ADD VALUE FOR CLEATS RETRACTABLE  
 2 CAPSTANS FOR AFT MOORING LINES WITH COVERS  
 SIDE LADDER  
 2nd SWIM LADDER WITH 2nd SHOWER IN COCKPIT HOT AND COLD WATER  
 REMOVABLE SHOWER COLUMN ON STBD AFT TRANSOM (st/st and carbon)  
 KIT OF COVERS (helmstation, wheel, table cockpit, windlass)  
 DIVING COMPRESSOR BAUER JUNIOR II  
 REMOTE CONTROL FOR WINDLASS WIRELESS + SCREEN

**Forward and aft cockpit**

ICE MAKER  
 ELECTRICAL BUILT IN GRILL  
 FULL SET OF CUSHIONS WITH COVERS  
 SET OF COVERS FOR THE AFT COCKPIT WITH WINDOWS AND CURTAINS  
 SHADOW CANVAS FOR FORE COCKPIT WITH CARBON POLES

**Flybridge**

Layout (standard : Helmstations + central furniture and starboard)

LOOSE FURNITURES (Furniture "TRIBU" Aluminium: Table & chairs, 1 seat, 1 coffee table, 1 table asided'appoint, Canapé d'angle avec méridienne, 1 pouf)

GRP BIMINI AT FLY WITH ELECTRICAL TOP WITH SLIDING PART, LIGHT AND SUN COVERS

PROTECTION COVERS FOR BIMINI WITH WINDOWS

FLOOR IN TEAK AT FLYBRIDGE

Equipment (standard / storage and fridge)

ELECTRICAL GRILL 220V

**Lights**

2 SPOTS IN THE AFT BEAM

8 SUBMARINE SPOTS LED BLUE

A LOT OF COURTESY LIGHTS IN ALL THE BOAT INSIDE AND OUTSIDE

**GELCOAT AND PAINT**

- S GELCOAT COLOUR ON HULL AND SIDE WHITE
- S WHITE GELCOAT AT ROOF
- STICKER COVERING ON HULL
